

Petition to Extend Financial Aid

You are receiving this form because you are reaching your maximum eligibility. You may petition to receive financial aid for the remainder of your program of study. This petition is used to determine whether your aid eligibility can be extended beyond the maximum time frame. Federal Regulations stipulate that you may be funded up to 150 percent of your program.

STEP 1: Meet with your Academic Advisor to map your final semesters at TXWES. Get a copy of your current degree audit, and an “education plan” (list out all the classes you must complete to graduate and which semesters you will take them).

STEP 2: Turn in this completed form with the documents from your Academic advisor. If your petition is approved, you will be funded for the courses that are required for you to complete your degree.

Note: *Your request will not be reviewed unless **ALL** documentation is submitted and requirements met. Additional documentation may be requested after the initial review.*
