

Year 1

Fall Semester

Course	Credit Hours
BIO 1410 Intro to Bio I	4
CHE 1415 General Chem I	4
ENG 1301 Comp I	3
MAT 1324 Calculus I	3
ASE 1111 Freshman Success	1
Total Semester Hours: 15	

Spring Semester

Course	Credit Hours
BIO 1420 Intro to Bio II	4
CHE 1416 General Chem II	4
ENG 1302 Comp II	3
EXS 1220 Basic Concepts of Wellness	2
SPC 1301 Fund of Speech	3
Total Semester Hours: 16	

Year 2

Fall Semester

Course	Credit Hours
BIO 2441 Microbiology	4
CHE 2416 Organic Chem I	4
CHE 3405 Physical Chemistry I	4
or	
CHE 3418 Analytical Chemistry	4
ENG 23XX Literature	3
Total Semester Hours: 15	

Spring Semester

Course	Credit Hours
BIO 2424 Evolution and Ecology	4
CHE 2417 Organic Chem II	3
REL 13XX	3
HIS 2324 Modern American History	3
FAR, MUS or THA Fine Arts	3
Total Semester Hours: 16	

Year 3

Fall Semester

Course	Credit Hours
CHE 3405 Physical Chemistry I	4
or	
CHE 3418 Analytical Chemistry	4
BIOC 5013 Biochemistry (4 hours-UNTHSCSA)	4
PHY 1401 University Physics 1	4
Any Social Literacy (GEC)	3
Total Semester Hours: 15	

Spring Semester

Course	Credit Hours
PHAR 5001 Pharmacology (5 hours-UNTHSCSA)	5
PHY 1402 University Physics II	4
Any Social Literacy (GEC)	3
Social Literacy (GEC)	3
Total Semester Hours: 15	

BIO 1410, 1420, PHY 1401, CHE 1415, 1416 can be used to satisfy the GEC.

Prerequisite math courses such as MAT 1302 or MAT 1303 can count as electives.

University of Texas Health Science Center with Texas Wesleyan University

Texas Wesleyan students who have completed fewer than 30 hours of undergraduate coursework and who meet state residency requirements may apply to University of Texas Health Science Center at San Antonio (UTHSCSA) Dental School for admission into this program. If accepted, the student will complete a three-year course of study at Texas Wesleyan University and satisfy the GPA and exam requirements of this program in order to start four years of dental school at the University of Texas Health Science Center at San Antonio (UTHSCSA).

Following successful completion of the 3+4 program, the student will be awarded the B.S. degree from Texas Wesleyan University (after one year of dental school) and the D.D.S. degree from UTHSCSA upon completion of the entire dental school curriculum. Contact the Department Chair for more information.

Electives

Students are required to complete six elective hours in Advanced Chemistry during their first year at UNTHSCSA. Electives will be required if the student has not met a minimum of 120 hours in the program.
