

Collegiate Softball Summer League

Presented by Texas Wesleyan University

This league will be open to all college softball players that are currently playing at the college level. The league will take place from June through July. There will be games once a week, every week for these two months. The league will end with a round robin tournament, which will be played on the last weekend of July. All games will be played in Fort Worth at Sycamore Park, home of the Lady Rams. Please fill out the questionnaire below. Be sure to give the college you are attending so that you can be placed with your teammates.
