FORT WORTH, Oct. 30 – Texas Wesleyan University presents “Of Being,” a group exhibition by WAVE artists Mary Foster, Julia Franklin, Shelley Gipson, Simeen Ishaque, Audriana Martínez de Audirac and Denise Stringer Davis. The exhibition displays Nov. 14 through Dec. 10 in Gallery 2 of the Fort Worth Community Art Center located at 1300 Gendy Street. Art exhibitions are free and open to the public and viewing hours are Monday through Thursday 9 a.m.-5 p.m., Friday 9 a.m.-8 p.m., Saturday 10 a.m.-5 p.m., and Sunday 12-5 p.m.

WAVE, a professional artists’ forum, was established in March 1991 with the express purpose of supporting women in the visual arts. With diversity in ethnicity, age, geographic origin and media, WAVE members find commonality through intellectual exchange and by acknowledging and re-examining the experiences they encounter as artists in today’s society.
