FOR IMMEDIATE RELEASE

**MATH AND SCIENCE CONFERENCE FOR MIDDLE SCHOOL GIRLS TO BE HELD AT
TEXAS WESLEYAN UNIVERSITY APRIL 9**

A conference to increase young women's interest in mathematics and science will be held from 9 a.m. to 3 p.m. Saturday, April 9, at Texas Wesleyan University. The 17th Expanding Your Horizons in Mathematics and Science Conference for Middle School Girls will provide information about career opportunities math and science-related careers and will introduce them to women role models who are working in math and science-related careers.

Each student attends four hands-on workshops presented by professional women in aviation, geology, dentistry, engineering, environmental science, computer science, chemistry, botany, veterinary medicine, medical sciences, firefighting/EMT, mathematics, forensics, astronomy and others.

The registration deadline is March 11. The cost is \$5, which includes a morning snack, pizza for lunch, and a T-shirt. There also are workshops for parents and teachers. To register or for more information, call Jane Moore at 817-531-4882 or go to www.csc.txwes.edu.
