

## *May Term Courses*

May Term runs from May 12 – 30. Most classes are held four hours a day for the first two weeks with the last week used as a reflection week. However, some classes may meet into the third week; so be sure to check the start and end dates of the May Term class for which you wish to register. Exams or final projects are due during class time Friday, May 30. Students may register for ONE May Term class only.
