Pool Hours

The swimming pool hours for this coming school year are 12:00 to 3:00 p.m. Monday, Wednesday and Friday. The Office of Student Life is currently working on additional hours.

Hope to see you all at the pool!

Study Tips

These are practical tips to help you start the year off right.

- ◆ Don't Procrastinate

Start on your assignment when it assigned and don't wait until the day of the exam to start studying.

- ◆ Know Your Professor

Go by and talk to your professor during their office hours if you have questions about the course or assignments. Talk to students that might have had the professor before.

- ◆ Learn How to Manage Your Time

Invest in a planner and use it! This will help you keep track of all of your assignments and when they are due. When deciding what project to

start with look at the due dates and how much work will have to go into each of them.

- ◆ Study the Right Way

Not every method will work for you so learn your right way and stick to.

- ◆ Use Available Recourses

Visit the Academic Resource Center for valuable information that can help you improve your grades. Talk to other students that might have had the class before, form a study group with some of your other classmates.

- ◆ Avoid Burning Out

Get plenty of rest and take time to do something you enjoy.

New Beginnings, but Old Traditions

By: Sandra Ayala

Warning! Don't let the new coach, new uniforms, and newly painted locker room fool you, the Lady Rams are still on the same mission they have been for the past two years . . . and that is to get back to Nationals. Not only getting back to nationals is on the four returning starters mind but using the other returners along with the new recruits to help the team finish higher than ever at Texas Wesleyan.

The Lady Rams are in pursuit of bringing home a national title and with new conditioning methods and a new coach who has brought new coaching ideas they are in hopes of reaching

their goal. With newly added teams to the conference and other teams with new coaches the Lady Rams are going to be faced with new challenges that are different from the past. In hopes of keeping the Conference title the Lady Rams are going to have to work hard at beating the new teams and continuing the winning streak against rival Houston Baptist.

The Nationally ranked Lady Rams will be starting the conference season Friday Sept. 1st at 7:30 P.M. against Bacone College. Come out and be a part of history as the Lady Rams begin their quest for a national title.

SOAC?

If you are in any on campus organization you should make sure that your organization has a SOAC representative. SOAC stands for Student Organization Advisory Committee and this group helps influence some of the activities and policies for our campus but in order for this group to be effective we need each group to have representation. According to the guidelines in the Student Handbook each campus organization is required to send a representative to the SOAC meetings and to submit the annual registration form to Student Life.

SOAC meets the first Tuesday of every month at 3:00 in Carter Conference Room.
